

# How to activate an O2 data voucher

1

You will have received a 16 digit code by text message.

2

To activate the voucher, call 4444 (from an O2 number) or 03456 062 277 from any number.

3

Provide the O2 mobile number you want to use the voucher for and type in the voucher code.

4

Once you've completed this process, you will have 20GB data and free calls and texts for 30 days from activation.

5

Repeat this process every time you receive a new voucher code. Check your balance at any time by keying \*#10# and pressing the call button or dialling 4444.
