

“Hi, I’m Victoria. I got **free mobile data** and **help to use the internet**, which meant I could reconnect with my family overseas and study for my teaching qualifications.

“I’m now smiling and laughing for the first time in years.”

Just like Victoria, you can get free help to access and use the internet, too.

“My name is Sam. I got **free mobile data and help to use the internet**, which meant I could retrain and build a future for myself.

“Now I’m on my way to becoming a qualified engineer. I feel closer to my dreams than ever before.”

Just like Sam, you can get free help to access and use the internet, too.

“Hello, I’m Julie. I got **free mobile data** and **help to use the internet**, which meant I could finally socialise, bank and shop online.

“I now have a new sense of freedom. I’m living life on my own terms.”

Just like Julie, you can get free help to access and use the internet, too.
